INSURANCE PREMIUM HOLIDAY FOR STATE EMPLOYEES AND RETIREES Boise, Idaho - October 19, 2011

Active state employees and nearly 985 state retirees will have an insurance premium holiday in November and December. This means medical insurance premiums will not be collected in November (to pay for December's insurance) and December (to pay for January's insurance). For state employees, this also means dental insurance premiums will not be collected during this time. Anyone with questions about the premium holiday should contact the Office of Group Insurance at 208-332-1860 from the Treasure Valley, or toll-free at 800-531-0597 from elsewhere in the state.
