ACS HR SOLUTIONS (CHOICE PLAN RECORD KEEPER) CHANGES NAME Boise, Idaho – May 17, 2012

Effective April 1, 2012, ACS HR Solutions -- the record keeper for PERSI's Choice 401(k) Plan -- became Xerox HR Solutions, LLC. Acquired by Xerox two years ago, ACS is now completing the transition by retiring its brand and bringing services and technology under the Xerox brand. Other than the name change and some technological enhancements, Xerox HR Solutions is the same entity offering the same services and expertise as before. The name change does not affect PERSI Choice 401(k) Plan participants or accounts. PERSI members can continue accessing and maintaining their account using the same log-in process they've always used. Anyone with questions about this change should contact the PERSI Member Services Answer Center at 1-800-451-8228 or 208-334-3365 and ask for the Choice Plan Department or contact Xerox HR Solutions directly by calling 1-866-437-3774. Both PERSI and Xerox are dedicated to providing Choice Plan participants with high-quality customer service.
