## **PERSI Choice 401(k) Plan Website Upgrade Rolling Out July 26th Boise, Idaho – July 21, 2017**

PERSI and Empower Retirement are proud to announce the website for the PERSI Choice 401(k) Plan is being upgraded on July 26, 2017. Exciting enhancements come with that:

- ✓ View your estimated monthly retirement income from various sources
- ✓ See your estimated retirement healthcare costs
- ✓ Easily model different savings scenarios
- ✓ Get next steps to help boost your retirement income
- ✓ Access your information on your mobile device

To help participants appreciate the new site's features, Empower Retirement, the record keeper for the Choice Plan, is conducting a series of webinars about the new site. They are scheduled for July 26, 27, and 28, with three time slots available each day. Registration is required, and each session is one hour in length.

Here is a [link to the webinar schedule](#) as well as an [Empower flyer](#) providing additional information about the website upgrade.

All PERSI Choice 401(k) Plan participants are welcome to register for a webinar.
